

# Cashmere Jersey

100% MONGOLIAN CASHMERE

A fine-gauge single-jersey cashmere knit with a soft, fluid hand. Our most versatile knitted fabric — used across ready-to-wear, loungewear, and base layers.

|              |                                                |
|--------------|------------------------------------------------|
| COMPOSITION  | 100% Mongolian Cashmere                        |
| WEIGHT       | 180–240 g/m <sup>2</sup>                       |
| WIDTH        | 120–145 cm                                     |

# Cashmere Interlock

100% CASHMERE OR CASHMERE-WOOL BLEND

A dense double-knit interlock with balanced face and back. Fuller hand than jersey, excellent for cut-and-sew outerwear and structured garments.

|              |                                                |
|--------------|------------------------------------------------|
| COMPOSITION  | 100% Cashmere or Cashmere-Wool Blend           |
| WEIGHT       | 280–360 g/m <sup>2</sup>                       |
| WIDTH        | 140 cm                                         |
| CONSTRUCTION | Interlock double-knit                          |
| FINISH       | Scoured, lightly brushed                       |
| COLOURWAYS   | All 81 standard colourways                     |
| MOQ          | 50 m to produce • lower from stock, on request |
| LEAD TIME    | Immediate ex-stock • ~1 month produced         |

TYPICAL APPLICATIONS

Structured dresses, skirts, light outerwear, cut-and-sew jackets.

# Cashmere Pique

100% CASHMERE

A textured pique knit in cashmere — honeycomb surface with cleaner drape than rib. Popular for polo knits and structured tops.

|              |                                                |
|--------------|------------------------------------------------|
| COMPOSITION  | 100% Cashmere                                  |
| WEIGHT       | 260–320 g/m²                                   |
| WIDTH        | 140 cm                                         |
| CONSTRUCTION | Pique (honeycomb textured knit)                |
| FINISH       | Scoured, pressed                               |
| COLOURWAYS   | All 81 standard colourways                     |
| MOQ          | 50 m to produce • lower from stock, on request |
| LEAD TIME    | Immediate ex-stock • ~1 month produced         |

TYPICAL APPLICATIONS

Polo tops, textured pullovers, shaped bodices.
